

Kiwi-Lok® Trellis Clip

The Fastex® Kiwi-Lok® Trellis Clip is a quick and easy answer to securing secondary growth to trellis wires. Suited to 10 and 12 gauge wire, the Kiwi-Lok® is easy to apply but hard to budge. Ideal for a variety of vines, climbers, Kiwifruit and young trees.

Features and Benefits:

- Suits: 2.0mm - 2.6mm wire. Length: 60mm.
- Firm hold. Holds firmly to the trellis wire in strong winds.
- Easy to apply. Quick and easy to secure secondary growth to trellis wires.
- Re-usable. Easy to remove and reposition.
- Made from UV stabilised plastic. Durable construction for Australian conditions.
